

TMACOG Transportation Asset Management Plan – Goals and Objectives

(Draft 1: 3/25/2020)

Goal 1 – Strengthen regional cohesion

Objective A – Establish a Transportation Asset Management Plan as a regional priority.

Objective B – Serve as a liaison for MPO members and partners, such as ODOT and FHWA.

Goal 2 – Preserve existing infrastructure

Objective A – Achieve a state-of-good-repair for roadway assets.

Goal 3 – Build a sustainable and multimodal transportation system to support economic development, safety, and enhanced quality of life.

Objective A – Provide access to key resources and amenities.

Objective B – Provide a safe system for users of all abilities and incomes.

Objective C – Improve safety through systematic and comprehensive methods that consider proactive, innovative, and strategic considerations.
