

**Please join us at the next TMACOG Agriculture Committee meeting to tour a farm utilizing multiple soil health and water quality practices, including:**

- **No till**
- **Cover crops**
- **Water control stands**
- **Filter strips**

**Date: Wednesday, August 18**

**Time: 1:00—3:00 p.m.**

**Location: 1135 County Rd 11, Wauseon, OH 43567**

**Hosts: Pete Dinius and Mark Siebeneck, participants in The Nature Conservancy's Farmer Advocate for Conservation program**
