This amendment will address five projects in the FY2026-2029 TIP at the request of the project sponsors.

PID 117683: This amendment will modify the project scope to remove the mention of roadway reconstruction. This project does utilize TMACOG-managed funds.

PID 120281: This amendment will remove a portion of the project scope (operating assistance) and transfer it into a new project (PID 125527). The project will also move the funds for the bus replacement from FY27 to FY26. This project does utilize TMACOG-managed funds.

PID 125527: This amendment will transfer a portion of the project scope (operating assistance) from PID 120281 to become its own project scheduled for FY27. This project does utilize TMACOG-managed funds.

PID 122749: This amendment will modify the project scope to remove mention of a roundabout at Finzel and Dutch roads. This description was added in error when the project was originally programmed. This project does utilize TMACOG-managed funds.

PID 125145: This amendment will add a new project in FY26. This project does not utilize TMACOG-managed funds.
