

TMACOG Administrative Modification #2
FY 2026-2029 Transportation Improvement Program

This administrative modification was approved at the Technical Advisory Committee on November 19, 2025. This modification will change the list type (i.e. if a project falls under the category of ‘individual’ versus ‘grouped’) of twelve projects.

This modification will change the list type for all projects from a grouped project to an individual project. Due to a system error, these projects were originally listed as grouped projects, so this will correct that designation. All PIDs do utilize TMACOG-managed funds, but the funding amount is not being changed.
