

TMACOG Freight Advisory Committee Agenda & Notes – January 2019

Wednesday, January 23, 2019, 11:30 a.m.

Welcome and introductions – Roger Streiffert, TMACOG

1. Committee Leadership and Membership 2019 – *Election of Chair and Vice Chair/membership updates* – Roger Streiffert, TMACOG

The committee voted to re-elect Ray Huber and Jim Jacobs as Chair and Vice Chair of the committee for 2019. Staff made updates to the list of committee members for 2019 and it will be posted to the Freight Advisory Committee's web page.

2. 2045 Plan 2020 Update Freight Projects/Policies – *Review previous plan projects and policies and update as needed/begin adding new freight-related projects* – Roger Streiffert/All Attendees

The committee began the process of updating the freight projects for the 2045 Plan update. The committee reviewed the previous plan projects and decided which have been completed or are scheduled to be completed, which will be dropped from the plan, and which will be continued in the updated plan. At the March 27 committee meeting, we will add new projects and initiatives and will review and update the freight policies as needed. Final recommendations will be submitted to the 2045 Plan task force later in the year. Details on the plan update will be emailed to all committee members for their input.

3. TMACOG FY 2020 Freight Planning AWP – *Review and approve the next annual work program* – Roger Streiffert

The committee reviewed and approved the TMACOG fiscal year 2020 (July 2019 through June 2020) freight planning annual work program.

4. Roundtable Discussion or Announcements – All Attendees

There are three corridors that TMACOG and the committee will study for possible transportation needs. These corridors and the facilities served are:

SR 795 from I-75 to I-280 – First Solar, Walgreens, a possible new facility at Crossroads, and other future development.

SR 18 from Hoytville to I-75 – CSX Northwest Ohio Terminal and possible satellite development.

Tracy Rd from US 20 to Wales Rd or beyond – First Solar, Jones-Hamilton, other existing facilities and possible future development.
