III. 2045 On the Move 2020 Update

- a. **Plan Distribution**– Marissa Bechstein informed the group that once the plan is approved, staff will be beginning distribution of the plan. USB flash drives will be available with a full copy of the plan, summary documents will be printed, and printed copies of the plan will be available upon request.

IV. 2021-2022 Legislative Agenda

- a. The update of the legislative agenda is underway. A copy of the 2019-2020 agenda will be sent out to all committee members. Comments can be submitted to Marissa Bechstein

V. Major Project Updates

- a. **ODOT Updates** – No major updates. The Dorr Street interchange is progressing.
- b. **TMACOG Updates** – Dave Gedeon informed the committee that TMACOG staff are returning to the office with staggered schedules. The 2020 Summer Caucuses will be held virtually on Tuesday July 28th and Wednesday July 29th. Air Quality Conformity, the Plan, and the TIP will have final approval by July 1st. TMACOG has not been traffic counting like usual but have been completing many bike/ped counts. Lisa has completed the model update, which has been sent to ODOT.
- c. **Additional Updates**- Kris Cousino informed the committee that the Alexis and Douglas projects are well underway. COVID has not affected the projects that were already scheduled. Some projects will be delayed due to the levy not passing. Secor over Ottawa is a combined project with Ottawa Hills and is scheduled for 2023. MLK will be out for bid soon. The seawall is undergoing major repairs and Summit St. is undergoing a beautification project. Ron Myers informed the committee that the Salisbury and Albon road roundabout will begin on June 22 and will be closed for 45 days. 2022 will be a busy year for roundabouts. Many resurfacing projects have been complete, but a few resurfacing projects were delayed due to the unknown funding.

VI. Committee Roundtable –There were no updates

VII. Adjourn – The meeting was adjourned
