The meeting schedule is as follows:

March 5, 2020- at TMACOG

June 4, 2020 – Location TBD

September 3, 2020 – Location TBD

December 3, 2020 – at TMACOG

All meetings will begin at 1:30 p.m. and follow the 1st Thursday, quarterly, unless otherwise communicated.

PRESENTATION:

William G. Petruzzi, P.G. – Hull & Associates

Petruzzi gave an update of drinking water residuals; the management and beneficial use. Petruzzi spoke of alternative management options, programs-past and present, opportunities, current regulations, a new beneficial use program, common issues and evolving issues. Ohio EPA and several other entities are actively engaged in working with beneficial use projects and will meet in mid-December 2019 to discuss.

The presentation was followed by Q &A.

2020 Focus Areas:

John Hull, Chair

Upon discussion, the following are topics/areas that the PWS would like to address:

- March 5 meeting: dewatering facility-City of Toledo
- Residual management
- PFAS
- Earn contact hours for meeting held if applicable
- Asset management plans
- Yearly training/workshop – work with OEPA and RCAP

Member Comment:

- Mike Diel, OEPA distributed a current publication of Ohio PFAS action plan for drinking water.
- An OPEA flyer for asset management workshops was distributed.

Staff Report:

TMACOG's General Assembly for 2020 will be held January 27 at the Hilton Garden Inn in Perrysburg. Registration is open.

Future Meetings:

The next PWS meeting will be held March 5, 2020 at 1:30 p.m. Location details to follow.
