

**TMACOG Administrative Modification #2
FY 2024-2027 Transportation Improvement Program**

This administrative modification was approved at the Transportation Improvement Program Committee on October 23, 2023. This modification is changing funding amounts around within two projects and moving one project from FY 2026 into FY 2027.

PID	Project Name and Description	Project Cost (\$000)	FISCAL YEAR (\$000)				Project Sponsor
			2024	2025	2026	2027	
105889	LUC US 23 11.75 Inter-Chng: Reconstruction and reconfiguration of the SR 51 interchange over US 23 in the City of Sylvania, Lucas County. Necessary work included bridge replacements, ramp reconstruction, secondary street upgrades and resurfacing.	31,110 CO		4,311 STBG 3,939 CMAQ 16,004 Other Federal 1,522 State 5,335 Local CO			City of Sylvania
111546	LUC CR 501 0.00 Byrne Bike Lanes: Project in City of Toledo to resurface Byrne Rd from Heatherdowns Blvd to Detroit Ave (US 24). Includes spot pavement repairs, associated pedestrian ramp upgrades. The number of traveling lanes will be reduced to 3 and markings for bike lanes will be added.	2,146 CO		1,605 STBG 541 Local CO			City of Toledo
116993	LUC CR4 7.22 Erie & Monroe Roundabout: TMACOG STBG-funded project in Sylvania to construct a roundabout at Erie St. and Monroe St., add a left turn drop-lane for westbound Monroe St. at Olde Post Road, and resurface Erie Street.	3,580 CO				2,864 STBG 716 Local CO	City of Sylvania

These projects do utilize TMACOG-managed funds.

This modification will switch funds around in PID 105889 by increasing the CMAQ amount by \$1,604,800 and decreasing the STBG amount by \$1,604,800. This will allow for the funding of PID 111546 to be changed to STBG from being originally programmed as CMAQ. There will not be a negative impact on either project or either funding program as it is a change of the exact amount of funds within the same fiscal year.

This modification also moves PID 116993 from FY 2026 into FY 2027.
