

Justin McInturff- International Logistics Manager, Jarret Logistics

Justin brings over a decade of strategic B2B sales expertise to his role as International Logistics Manager at Jarrett, where he leverages his extensive background to drive impactful solutions for enterprise clients. His career spans telecommunications, technology, SaaS and professional services, giving him a unique and comprehensive understanding of diverse business challenges.

Justin excels at delivering consultative insights and tailored strategies that empower enterprise-level customers to achieve their operational and strategic goals. Since joining Jarrett in 2021, Justin has demonstrated a proven ability to deliver tangible results, transitioning seamlessly from his initial role as Director of Business Development to his current leadership position in international logistics.
