

Stephanie Campeau

Associate Vice President of Stakeholder and Community Relations
Windsor-Detroit Bridge Authority (WDBA)

Stephanie Campeau is the Associate Vice President of Stakeholder and Community Relations at WDBA, with more than 20 years of experience as a professional communicator. Since 2015, Stephanie has led the development and implementation of a comprehensive engagement strategy that includes targeted stakeholder communication and consultation for WDBA in Canada and the United States. Prior to joining WDBA, Stephanie worked in a variety of sectors including post-secondary, automotive and utility. She holds a BA Honours degree in Communication Studies from the University of Windsor.
