This modification will address three projects in the FY2026-2029 TIP at the request of the project sponsor.

PID 115418: This modification is only addressing the Detailed Design portion of the project, which is moving fiscal years from FY2026 to FY2027. The overall project estimate will remain unchanged. This project does not utilize TMACOG-managed funds.

PID 117040: This modification adds \$5,290 to the Preliminary Engineering phase in FY2026, which increased the overall cost estimate of the project to \$34,111,928. This project does not utilize TMACOG-managed funds.

PID 118584: This modification addresses three transit subawards within the project for FY 2027. TARTA is adjusting its federal funding approach to utilize broader eligibility categories, improving flexibility, and simplifying grant management for ongoing work. This project does not utilize TMACOG-managed funds.
