## Traffic Count Crew Leader

### Position Summary

As a Traffic Count Crew Leader, you will lead and perform a variety of traffic and environmental data collection activities, manage data transfers, oversee interns, and ensure all fieldwork meets high-quality standards. Your work directly supports informed decision-making for transportation, safety, and mobility initiatives across the region.

### Required Competencies

We're looking for someone who is:

- Able to take direction and follow established procedures.
- Detail-oriented and committed to high-quality work.
- Comfortable performing fieldwork near active roadways.
- Skilled at interpreting statistical reports and drawing meaningful insights.
- Strong in written and verbal communication.
- Exceptionally organized—able to prioritize, multitask, and meet deadlines with minimal supervision.
- Proactive, self-motivated, and eager to learn.
- A flexible, collaborative team player.
- Proficient with word processing and spreadsheet tools.
- A High School Graduate or equivalent
- Legally authorized to work in the United States.

### Preferred Competencies

While not required, you'll stand out if you have experience with:

- File management
- Spreadsheets
- Databases
- Geographic Information Systems (GIS)

### Salary Range

\$30,000 - \$45,000

### About Us:

Toledo Metropolitan Area Council of Governments (TMACOG) has been a home for regional collaboration and leadership for decades. Our work is fun, fast-paced, and impactful.

### To Apply:

If you're ready to leave your mark on the region, work alongside a talented team, and be a champion for data analysis, we want to hear from you! To apply, submit a letter of interest, resume, and three professional references to [resume@tmacog.org](mailto:resume@tmacog.org). We will accept application materials until the position is filled.
